CHAPTER 1: Self Esteem

INSIDE-OUT: A NIGHT IN THE CATHEDRAL

Once again Derby Cathedral will open its magnificent doors for a memorable night of worship, workshops and wonder.

Whilst building up to a multi-media youth service we will be exploring the theme of "Self Esteem and Young People" and how God wants the best for His Young People.

All the workshops are practical "hands on sessions" including myriads of craft based activities, a pamper corner, face painting, an adult crèche (for the leaders), drumming, photography and graffiti art.

Local Youth Band GIVE-WAY, from Church Gresley will be with us for the event and will perform two sets of fantastic music.

The programme is designed so that people are free to leave at 11pm or stay for a further 9 hours for an overnight programme of music, games and activities, a DVD, and the ever popular early morning city-centre based treasure hunt.

Those staying overnight will need to bring a pack-up with food for a midnight feast together.

A tuck shop with the usual choice of chocolate, sweets and crisps will be available. (*Hot and cold drinks free all night*)

The overnight section will end with worship and breakfast. (*Provided*)

The event is aimed at 13(ish)-18 year olds and is suitable for individuals, choir members, youth group members, servers, bell-ringers and their leaders and clergy! (18+ also welcome, as long as they know its aimed at younger youth)

Young people and groups from other denominations will be made very welcome indeed!

Advance Booking is essential, as consent forms will be needed for all under 18s. (Sample available from Alistair)

Please book via e-mail to alistairlangton@ddbe.org and include. ♦ Contact name, ♦ contact address, ♦ name of church, ♦ contact e-mail address, ♦ contact mobile phone number ♦ APPROX numbers of young people wanting to come, ♦ APPROX numbers of leaders.
